

If you want an authentic Oktoberfest experience complete with live music, entertainment, games, traditional German food and real Bavarian brew but can't make it to Munich, then you should plan to be in the Swan Valley this October.

Elmar's in the Valley is hosting Oktoberfest on Saturday 12th and 19th October, which will be 18+ events with a family-friendly day for all ages to be held on Sunday 13th October.

Central to this celebration of all things German will be Elmar's trademark Märzen Bier, which was brewed in strict accordance with the centuries-old German Purity Laws, and which has been conditioning since March so that it peaks at the perfect time for consumption at Oktoberfest.

The festival was the brainchild of Elmar and Anette Dieren, who migrated to Perth from Germany in 1987 bringing with them a deep passion and a wealth of experience for fine food and Smallgoods production. Retailers by background, they opened up Elmar's in the Valley in 2005 and it quickly gained a loyal following for its delicious traditional German food, tasty craft beer and relaxed family entertainment in beautiful surroundings.

Previous Oktoberfest's at Elmar's in the Valley have sold out quickly, with a daily crowd of 2 000 enjoying the festival of fun in the award-winning brewery's two-acre Biergarten. This year, visitors are encouraged to dust off their dirndls and lederhosen and gear up for loads entertainment such as stein holding and Bratwurst eating competitions and tugs-o-war.

Foods to try will include Elmar's famous Schweinshaxe (pickled and roasted pork shank), Bratwurst sausage barbequed on a traditional cast iron frying pan and artisan Smallgoods, with a host of other treats on offer to cater for all tastes.

Oktoberfest at Elmar's in the Valley offers all the traditional delights of an authentic Bavarian experience - yet it's only a stone's throw from Perth. If you want to say 'prost' to a good time this October, get your ticket before they sell out by visiting <https://elmars.com.au/whats-on/oktoberfest/> or by contacting Elmar's at 08 9296 6354.
