

EZIFUNERALS & PROBATE CONSULTANTS ANNOUNCE STRATEGIC PARTNERSHIP

eziFunerals and Probate Consultants are pleased to announce that they have formed a strategic partnership to promote their services and their common commitment to public education, transparency and independence within the Australian funeral and end-of-life industry.

eziFunerals is Australia's premier 'funeral go to brand' for consumers and the largest online provider of funeral planning services nationally. eziFunerals is a free online end-of-life and funeral planning service that simplifies and streamlines the funeral process. They empower consumers to plan and document their advanced health care and funeral needs, thus sparing families from having to make difficult, costly decisions while they are grieving.

Probate Consultants are fast becoming the preferred choice for Australian families applying for Probate or Administration. Many people don't realise that you can apply for Probate and Administration yourself without seeing a lawyer. That's where Probate Consultants come in! With a 100% success rate and 5-Star Google Rating, they do all the tricky paperwork and processes for you, guaranteeing that your application will be successful or your money back.

"This partnership is very exciting for both organisations. It combines the support and resources of dedicated and committed professionals. Working with Probate Consultants, we are now providing even greater support to Australian consumers through an emotional and difficult time", said Peter Erceg, Owner & Founder of eziFunerals. "We look forward to working with the Probate Consultants to assist consumers in understanding their options when faced with the need to apply for Probate or Letters of Administration." "The strategic partnership with eziFunerals is consistent with our commitment to guide and support families dealing with the legal implications of the passing of a loved one" said founder, Thomas Torcello. "As our partnership evolves, we firmly believe we can provide greater support, information and transparency to consumers during some of the most difficult moments in their life," he said.
