

Financial industry power players recognized

45 financial planning and advice professionals have just been recognized in a list of the industry's finest

TORONTO, ON (June 10, 2015) – 45 financial planning and advice professionals have just been recognized in a list of the industry's finest. Wealth Professional magazine has released its Hot List for 2015. This annual ranking honors 45 advisors and executives who have made waves in the wealth management industry over the last year and continue to shape its agenda.

“The volatility and change in the industry is unrelenting and greater than ever before. As the next phase of CRM2 comes into play, the Canadian wealth management industry will work through even more of that kind of upheaval. The Wealth Professional's Hot List provides clues on who is going to come out on top,” says Wealth Professional editorial director Vernon Clement Jones. “Each has won a place on the list by capturing headlines in 2014/15 and leading their organizations to greater heights. As a group, they embody the excellence that characterizes Canadian wealth management.”
