

# Get Personalised with Brother this Festive Season

Brother have a new range of ribbons and tapes that are compatible with all Brother labellers.

As the festive season approaches, we're excited to let you know of some fabulous new products from your friends at Brother.

While store bought presents themselves are wonderful, there's nothing quite like receiving something handmade with love. This season, Brother are encouraging everyone to get creative by spending some time creating beautiful wrapping paper for the gifts they plan to give.

Brother P-Touch labellers have been loved by many for years for their organisational benefits. Now we're excited to share that craft enthusiasts can benefit too! Brother have a new range of ribbons and tapes that are compatible with all Brother labellers. They are all 4 metres and come in a variety of colours and patterns including gold on white, gold on pink, gold on navy and gold on red (ribbon). The patterned tapes are available in black on gold geometric, black on silver lace, black on red gingham and black on pink hearts.

Perfect for adding those beautiful finishing touches to your gifts, there is now no need to order expensive personalised finishing's when you can DIY it all with Brother!

If you'd like to go one step further with your gift wrap creations, don't forget about the Brother ScanNCut – the amazing home and hobby cutting machine. With over 600 built-in designs and a generous 12" x 24" scanning and cutting area so you can integrate larger designs than ever before, it's the perfect tool to get even more creative with your wrapping.
