

GIRIKON EXTENDS SALESFORCE CONSULTING SERVICES TO AUSTRALIA

On 7th January 2019, Girikon LLC, Founder, Director Delivery and Services, Alankar Anibha announced their new office in Melbourne, Australia. Girikon will now provide consulting services to clients in Australia and New Zealand.

Girikon LLC, is an IT consulting and development Company with over 170+ staff members based out of Phoenix, Arizona with a development centre in Noida, India. On 7th January 2019, Girikon LLC, Founder, Director Delivery and Services, Alankar Anibha announced their new office in Melbourne, Australia. Girikon will now provide consulting services to clients in Australia and New Zealand. "We had several successful years operating in the USA and over the past 24 months we have been receiving strong enquiries from the Australian Salesforce and Information Technology community. The founders made the decision in early 2017 to search for a Managing Director and location for our new office in Australia. Girikon's vision is simply to enable our clients and partners to maximize their business success through our people, our disciplined approach and our technical experience and knowledge", Alankar explained. Girikon is a Salesforce Silver Consulting Partner, HIPAA compliant, ISO 9001 certified & ISO 27001 certified. Girikon supports its customers on multiple technology platforms and now Girikon's physical presence in US and Australia, will allow it to quickly respond to customer's requirements with a view to effectively delivering a quality product and service anywhere in the world. Alankar Anibha, continued with a warm welcome to Yiannis Loupis the newly appointed Managing Director, Australia and New Zealand. "Yiannis has many years of experience in business management and delivering complex programs in multiple industries including Information Technology and Education. His exceptional skills and experience in operations and personnel management, commercial acumen, strategic execution, business modelling, stakeholder and vendor management is only a handful of skills in his kitbag. Welcome to the Girikon Family, Yiannis" Girikon's new office in Melbourne Australia will service clients in Australia and New Zealand. Girikon plans to extend its global footprint with an office in UK by 2020 Newly appointed Managing Director, Yiannis Loupis commented on his appointment and recently visited Girikon offices in India and USA. "I have not met a more dedicated, focused and professional team in my career. I was taken back by the team's welcome and warm embrace into the Girikon family. All the way from employees to the owners there is a real sense of pride and ownership in the work, projects and growth achieved to date and a real excitement about the future of Girikon" "I can't wait for our prospective clients in Australia and New Zealand to experience this level of professionalism, dedication and focus!" Girikon takes pride in its team of experienced and certified Salesforce Consultants including Architects, Developers, Business Analysts and Administrators. Girikon's strength lies in Salesforce implementation, customization, development, integration and support.
