StarNow Global Model Search to Uncover Fresh Faces

Who will be discovered as a top model in 2013?

Global castings website StarNow ([www.starnow.com](http://www.starnow.com)) has joined forces with three world-renowned model agencies to uncover some fresh talent. Model hopefuls are encouraged to check the casting and apply here: [www.starnow.com/globalmodelsearch](http://www.starnow.com/globalmodelsearch)

Thousands of aspiring models are expected to apply to the StarNow Global Model Search, which could put one or more StarNow members in the books of Models1 in the UK, L.A. Models in the USA, and Vivien's Model Management in Australia! Once signed, they have the potential to represent major brands internationally and join the ranks of A-list stars.

Models1, L.A. Models and Vivien's have launched the careers of some of the world's premier models, including Linda Evangelista, Tony Ward, Andre Pejic and Gemma Ward.

StarNow runs model scouts with international agencies as just one way of kick-starting the careers of young models. Earlier this year they ran a model scout with Models1, and two StarNow members were signed.

Jessica Manins (Markets General Manager at StarNow) says: "This is an amazing opportunity for StarNow members to be internationally represented by some of the world's most respected agencies."

Applications for the StarNow Global Model Search open on the 4th December 2012. Apply now!
