Gold Coast Church Conference

Glow Church Gold Coast launch their first ever conference - Kickstart Conference 2015

Last night, the 21st January 2015, Glow Church on   the Gold Coast launched their first ever and much anticipated conference,   called Kickstart Conference 2015.
  With an electric atmosphere and heightened praise   and worship, nearly 400 Gold Coasters turned out for the first night of the   conference.

  Coupled with the great atmosphere of the service   was a summer-themed outdoor set up with food trucks and a jumping castle for   kids. The night was topped off with two sessions of leadership-driven   messages by Ps. Joel A'Bell from Hillsong Church.

 Ps. Joel Cave, who senior pastors the Gold   Coast Church said "We are believing God to start something   significant on the Gold Coast in 2015, with 3 Spirit filled Summer nights to   Kickstart your year! Step into this new Season with us, as Glow Church   launches the very first Kickstart Conference 2015 with 3 incredible Guest Speakers,   invited to speak directly into this new season ahead. Our prayer is to   see the spirit level of the Kingdom rise, that we would shine so bright that   the world around us can't help but pay attention – like a city on a hill that   cannot be hidden."The second night of the sold out conference   begins tonight at 6:30pm with two guest speakers remaining with Ps.Shaun   Nepstad who with his wife Dianna are the founding and lead pastors of The   Fellowship Church in Antioch California. And Ps Wayne Alcorn who with wife Lyn have been the Senior Pastors of Hope Centre since August 2000. Hope Centre is a growing multi-campus, multi-cultural church in Queensland's south-east corner and Ps. Wayne is the President of the Australian Christian Churches (ACC) movement to which Glow Church is apart of.
 It goes without saying, if the first year completely sold out, then registrations will be set to move fast for conference in 2016. You can follow the conference on social media by tracking the hashtag: #KSconf15
