

HAVE YOU VISITED INTRIM MOULDINGS?

If you're wanting to create a spectacular interior make sure you add them to your list!

With over 825 skirting boards, architrave, chair rail, picture rail and other timber profiles, Intrim are experts in helping create spectacular interiors for their clients.

"The Intrim vision is to have a part in every one of their clients' truly magnificent building projects by providing them with a unique product to help them achieve their goal of making their interiors a timeless masterpiece. Our clients range from top tier interior designers and architects to luxury home builders and home renovators, each one being just as important to us as the other" ~ Fred Quinsey, Managing Director.

We haven't had to look far to see a host of Intrim's satisfied customers, with a testimonial from Tiho Bacic of Charleston Luxury Homes published on their website quoting "The finishes on their skirting is second to none...Their friendly staff help us, guide us, to come up with the final product that we're looking for." Intrim is rapidly evolving and now has manufacturing, showroom and distribution facilities in Sydney, Melbourne and Brisbane with a guaranteed 5 days from order to despatch. "Our products are delivered on site when you need them, as we understand meeting your deadlines is of utmost importance" continued Fred.

"We offer a high quality pre-priming finish on all of our mouldings which will save your fixout and painting team's time on site. We are always looking for ways to improve our product offerings to benefit our customers" ~ says Fred.

The raw material used to manufacture Intrim's timber moulding profiles is responsibly sourced, with Intrim being Forestry Source Certified.

Complimentary samples are available for most profiles so you have something tangible to visualise to ensure you pick the right profile to suit your project.

Intrim are clearly the industry leaders in prestige architectural timber mouldings, who pride themselves on excellent service and quality craftsmanship, making it easier for their customers to design, select and purchase timber mouldings.

Fred finished with the open invite to "see the Intrim difference for yourself and we look forward to working with you on your next project."
