Star Business Solutions to provide, implement, train and service all of Hill Equipments Greentree Software needs.

Star Business Solutions (Star) is proud to announce that Hill Equipment, has engaged Star to provide, implement, train and service all of their Greentree business management & accounting software system requirements.

Hill Equipment has been Proudly servicing the commercial refrigeration & catering industries for over 35 years! At Hill Equipment, they engineer, design, manufacture & service equipment to the specific needs of their clients. Hill specialise in refrigeration based heat transfer systems and food & beverage storage, preparation and presentation equipment. Their success can be attributed to the strategic gathering of the most highly qualified individuals specialising in respective areas of business over the past 35 years.

Hill Equipment is a proudly South Australian, privately owned company employing over 60 personnel. Their large manufacturing facility and office is located at Dry Creek where they also have modern showroom facilities including a fully operational commercial kitchen. Hill's team of engineers, draftsmen and technicians provide innovative design solutions which they then manufacture, install and service to meet clients' needs.

The company is headed up by Mr Keith Turner – Chairman, Mr Mark Turner – Managing Director, Mr Graeme vom Berg - Financial Controller, Mr John McBurnie – Production Manager.

Along with their normal commercial activities, Hill Equipment can be rightfully proud of their Defence industry activities. The superior standard of their work has been recognised by the Australian Defence Force, who called upon Hill Equipment to undertake a series of projects. This included work on over 40% of the Navy's major vessel fleet (including the Collins Class submarines) and Tiger Helicopters. Hill Equipment have also custom designed field Environmental Control Systems for mobile facilities and water coolers. They are recognised as having the credentials required to meet the ADF's rigorous "Mil-spec" standards. Hill Equipment specialise in the design and manufacture of refrigeration and cooking equipment with various voltages to meet Defence Force requirements.
