## IMOGEN ANTHONY JOINS MARKSON SPARKS!

Mother of animals, muse, enigma, fashion model, actor, chameleon and philanthropist Imogen Anthony has signed an exclusive contract to be represented by Max Markson's Markson Sparks celebrity management and publicity company.

Imogen says "I'm looking forward to working with Max and furthering my career in the fashion and film industry as well as increasing my work with animals. I've got a movie coming up which I can't talk about in detail yet and I'm keen to start designing a capsule to release in 2021."

Max Markson says "I've known Imogen for over 10 years and I know she has so much to give to the world. Her love of animals and her passion for fashion are inspirational. The 180 acre Rescue Farm in the Southern Highlands has over 100 animals including a camel! Imogen is an amazing person. There are lots of opportunities for her and for leading brands to work with her on exciting projects." Imogen's former manager Bruno Bouchet will continue to handle all of Imogen's private business affairs.
