

Jason Windows, a 2021 ThreeBestRated® Award-Winning Window Company, Points out the Benefits of Bi-Fold Doors

Perth, WA 19/04/2021 - Bi-fold doors are architectural marvels and are among one of the most popular design options for homes. And indeed, it is aesthetically pleasing to everyone's eyes. Bi-fold doors are convenient, energy-efficient, and versatile. Why are Bi-fold doors the best option? What are the advantages of Bi-fold doors? Let us hear it from Jason Windows, a 2021 ThreeBestRated® award-winning Window and Door Company in Perth. "Bi-fold Doors (sometimes called Concertina Door) is a series of panels that fold along a seam until they stand at one end together", says Brett Dywer, Head of Sales, Jason Windows. He goes on to highlight the benefits of Bi-fold doors:

The Bi-Fold design allows for the door to fully open the space between the indoor and outdoor living area creating a functional open entertainment space.

Bi-Fold Doors can be opened both fully and partially, so you can decide the level of outdoor atmosphere you want to let into your home.

Bi-Fold Doors can be fitted with performance glass such as Laminated, Toned Glazing, Low-E or Double Glazing. Performance glass improves the comfort level within your home.

They are easy to maintain.
