

JG Vertical: Problem solvers at heart

JG Vertical

JG Vertical are rope access specialists with a passion for problem solving and getting jobs done in a high quality fashion. All services JG Vertical provides are executed with this problem solving mentality in mind, from doing specialist rigging and lifting, to our commercial window cleaning. It's for this reason that JG Vertical are constantly chosen to undertake high rise window cleaning on some of Australia's most iconic and architecturally challenging buildings, such as the Sydney Opera House. JG Vertical uses Rope Access to be flexible and effective, along with roof anchor points to ensure safety.
