

JG Vertical: Window Cleaning Experts

JG Vertical

JG Vertical are industry leaders in commercial window cleaning and building cleaning. JG Vertical uses unique rope access techniques to access any building and hard to reach spaces. With an unbeatable safety record JG Vertical is qualified and able to perform high rise window cleaning at any height!

Due to the highly flexible nature of rope access JG Vertical can perform a range of more extensive services. Rigging and lifting is one of these, we can rig for any occasion whether it be for entertainment or industrial needs. We also perform lifting services, being enabled to lift any object to any position.
