Sydney, Australia 21 November 2018 – Sharp Corporation of Australia, in collaboration with Green Baking Australia, will be displaying its latest Smart-Range Microwave ovens at the Cake, Bake and Sweets Show to showcase the simplicity of one-touch baking. Come and visit the Greens Baking Australia stand, create mouth-watering deserts using Sharp's popular 'Mug Cake' setting and try out the delicious range of 'Cake Break' products on show.

Sharp will be demonstrating its R350EW, R395EST, and R395EBS model microwaves at the show with a number of smart features including humidity sensors for precise power control, Inverter Technology for even cooking and smart recipe menus, including the 'Mug Cake' setting, for baking perfect treats in seconds.

You will also be able to try the latest Greens Baking products from the 'Cake Break', 'Cookie Break' and 'Brownie Break' ranges. Available in the cake aisle at Woolworths stores across the country and retailing at only \$2.50, the available microwavable treats include Chocolate Mud Cake, Red Velvet Cake, Choc Chip Cookie Dough, Double Chocolate Fudge Brownie and Chocolate Salted Caramel Brownie flavours.

The Cake, Bake and Sweets show runs from 23rd until the 25th November in Sydney at the International Convention Centre Darling Harbour, and 30th November to 2nd December in Melbourne at the Melbourne Convention and Exhibition Centre. <http://www.cakebakeandsweets.com/>
