

Kambrook has introduced the perfect small appliance for people who love cooking but hate all the preparation that goes with it.

The Chop & Store Mini-Chopper is a must have in the kitchen for any cooking enthusiast. It chops and dices quickly and evenly and saves valuable time. It's the ideal small appliance for every day use.

The Chop & Store has a one touch soft grip, instant processing function which makes food preparation simple. The powerful and durable stainless steel blades chop easily through vegetables, and the one litre glass bowl, with matching lid, allows for easy storage after processing.

The Chop & Store Mini-Chopper is perfect for chopping garlic, slicing onions, cutting vegetables and much more. Plus, it's simple to clean, dishwasher safe and comes with Kambrook's 12 month warranty.

No more slicing and dicing for hours on end. Let the Chop & Store Mini-Chopper take the hassle out of everyday cooking.

Kambrook Chop & Store Mini-Chopper (KFP40) \$39.95 RRP
