Keys to a Dream is an indispensable resource for the new homeowners, the book is full of great tips and guides first home builder at every stage with practical information. Building a house can be a very intimidating process, especially if you've never done it before. The steps to building a house might seem complicated at first. It's no wonder the first time homeowners wondering how to build a house often feel overwhelmed. But if you dream of owning a house, it's essential you know what to do and who to turn to. Keys to a Dream take you through it and show you that you've got only a few steps to building a house. "Homeowners enjoy watching the home come together, from pouring the foundation to framing and watching the home take shape," Suvojeet Paul the spokesperson for Keys to Dreams says. "Once the home has drywall, they start to visualize themselves living in the space and how they'll use it – imagining what furniture goes where and how they'll entertain friends and family there. To help you prepare for and understand your new home's construction, this book outlines the typical steps your builder will take in the construction of a home and will help keep you abreast of what happens at key stages." Building a house requires a lot of time and effort, but this book can help make the home building process manageable and help you make the best decisions possible. You'll feel more confident about your home building journey when you understand what is required of you and every other person who is involved in the process. Suvojeet Paul added "Keys to a Dream will help you plan and build your dream home because it's the best home building guide you can find on the internet. You will find trustworthy advice and suggestions that will save you money and time, frustration and heartache. From budgeting and finance to land and builder search, from customizing your house plan to selecting the perfect inclusions, from construction start to completion all the way to handover, and finally moving in and even beyond!" Keys to a Dream tells you extensively about the process of buying a house, it offers 100% Money Back Guarantee within 14 days if a buyer is not happy with your purchase. The book is now available on website, iBooks, and Amazon at \$19.99.
