

## Kinima Physio and Snap Fitness Form Alliance for a Richer Client Experience

At Kinima Physio, we integrate clinical excellence with a unique client experience to create a local health movement that empowers as many people as possible.

Rob O'Mahony and Alina Tran, directors of Kinima Physio West Leederville, are excited to announce a new and exciting collaboration with Snap Fitness West Leederville. The alliance will provide a better client experience with a strong sense of community. Kinima Physio is a modern and fresh physiotherapy clinic. Snap Fitness is a 24-hour gym and fitness centre that shares very similar values to Kinima Physio.

"We currently see clients that are also members of Snap Fitness West Leederville and are extremely happy with the service that Alicia and her amazing team provide," said O'Mahony. "The members are impressed with the convenience, atmosphere, equipment, group fitness classes, and the availability of multiple training zones."

Rob and Alina are also pleased to announce that they will be offering Snap Fitness West Leederville members \$20 off all initial appointments at Kinima Physio West Leederville for the foreseeable future. Kinima Physio clients will be entitled to a special deal for gym membership with a zero joining fee, the first month free, and a half price access card.

Kinima Physio West Perth also collaborated recently with Body Fit Training West Perth. Kinima Physio can help the BFT West Perth members with sports physio, orthopaedic rehabilitation, clinical Pilates and exercise rehabilitation, dry needling, sports massage, and running assessments. Kinima Physio Subiaco has a mission to keep their clients exercising while recovering from injuries using a combination of a hands on and active approach to physiotherapy.

Kinima Physio Wembley prides itself on being passionate about their special interests of sports physio, shoulder physio, knee physio, and lower back pain. Rob and Alina are looking forward to Snap Fitness West Leederville joining the Kinima Physio community to help individuals continue living an active and meaningful life.

### About Kinima Physio

At Kinima Physio, we integrate clinical excellence with a unique client experience to create a local health movement that empowers as many people as possible. With 25 years of combined experience in the physiotherapy and health industries, including elite sports and orthopaedics, we offer the latest evidence-based treatment programs to instill clarity and understanding, restore function and confidence, and drive high performance.
