

Kiwi cash for cars now offering their service to futhure regions

Unwanted car owners are eager to use services provided by Kiwi cash for cars

According to Kiwi cash for car's latest update on their website the company is now also provide cash for car services throughout Ashburton, Timuru, Nelson. The amendment comes after an increase in unwanted old scrap cars were established throughout the regions and some companies were doing their best expand their services to such regions but Kiwi cash for cars seems to be quicker.

The manager at Kiwi cash for cars Mr. Asif says, the company which is providing their service throughout Christchurch regions in future it will be expanded to surrounding suburbs. More over clients that have used services provided by the company are satisfied and have recommended the company to their friends. Any type of car is sold including truck, van, ute, 4x4, SUV, 4WD and much more. A major benefit their clients are happy about is that you also get a free collection service which is whenever you sell a car the team at Kiwi cash for cars arrives at your place take away your car.

The company also purchases vehicles that are no longer operation or cost of keeping it on the road rises.

We will have more updates regarding Kiwi cash for cars expansion.
