

KUHN Farm Machinery Expo 2020

On the back of a successful expo in Cowra, NSW in 2017, KUHN Farm Machinery are set to welcome customers and dealers to the KUHN Expo in Naracoorte, SA on Wednesday, 4 March and Thursday, 5 March 2020. This is the first year KUHN has chosen to stage their expo in South Australia. It is a unique opportunity for customers and dealers to meet industry experts, international KUHN factory representatives and see firsthand the remarkable range of KUHN farm machinery. Attendees will see impressive live demonstrations, machinery displays, product workshops and presentations on over 30 of KUHN's cutting-edge hay and silage, tillage, spraying, spreading and feed mixing machines. Also, all KUHN Expo attendees will be able to purchase machines in a silent auction and have exclusive access to special finance offers through their preferred dealers. As a leader in farm machinery, KUHN offers farmers the best farm machinery products right around the world and welcomes the opportunity to speak with media about this event prior to the day as well as invites media to come out on the days. A full range of images and B-roll will be available to media after the event. WHAT: KUHN FARM MACHINERY EXPO WHEN: Wednesday 4 March 2020 from 9.30am – 4.30pm (Dealer Expo) Thursday 5 March 2020 from 9.30am – 4.30pm (Customer Expo) WHERE: Braunacks Road Mount Light SA 5271 (opposite Caves Rd) N.B – the KUHN Expo is held on private property and all attendees must be registered.
