

L'Action 2 in 1 Ritual Face Masks

It's never been easier to bring the spa treatment into your home with the new range of 2 in 1 Ritual Face Masks by L'Action Paris. With four different nourishing masks in the range, enriched with a combination of unique ingredients to detoxify and hydrate the skin, you can achieve the day spa feeling in the comfort of your home in just 12 minutes! The simple 2-step process works to gently exfoliate and nourish the skin, offering a complete treatment in one easy to use product. Available in four different treatments, each product contains an exfoliating scrub and a hydrating mask suitable for all skin types. Simply apply the scrub and rinse off then follow with the mask for velvety smooth skin! L'Action Paris Ritual 2 in 1 Mask Hydrating Spa Ritual – RRP \$5.95 – The creamy scrub is enriched with minerals and sea salt from the Iroise Sea to cleanse the skin and eliminate impurities. The mask contains white clay, Shea butter and sweet orange essential oils to regenerate and capture moisture. Cocoa Soothing Ritual – RRP \$5.95 – Enriched with cocoa shell powder and orange peel powder, this scrub delivers gentle exfoliation and promotes skin protection. The mask contains Shea and cocoa butter to effectively improve the skin's moisture levels and boost skin elasticity. Coconut Nourishing Ritual – RRP \$5.95 – Specially formulated for dry skin, this nourishing scrub contains coconut shell powder and sunflower oil to eliminate dead skin cells and prevent dehydration. Enriched with coconut oil, the mask will leave your skin feeling intensely smooth and moisturised. Detox Spa Ritual – RRP \$5.95 – Infused with Chinese green tea leaves, this scrub will detoxify and protect your skin by eliminating toxins to reduce the visible signs of ageing. The mask is enriched with castor oil to leave the skin feeling purified and soothed. Currently sold in over 40 countries on four continents around the world, there are over 50 different products that are available in Australia. All products in the collection include natural active ingredients, are developed in their Paris laboratory, are dermatologically tested and are NOT tested on animals.
