

# LEGO® Education Learning Programs brought to you by Moore Educational

## SCHOOL HOLIDAY WORKSHOPS

LEGO® Education Learning Programs brought to you by Moore Educational

FOR IMMEDIATE RELEASE

LEGO Education Learning Centre Brisbane will be bringing LEGO® fever to Brisbane with LEGO Education Learning Programs. These hands on minds on workshops allow children to build knowledge and express themselves creatively which is a crucial skill for 21st century learners. This holiday program will run from the 2nd-13th of July 2018. When these programs begin on Monday 2nd of July, be first to book so as not to miss out on the serious fun!

LEGO Education Learning programs will be offered to children aged 3-9+ and will include Make it move, Incredible inventions, Code Creator, Story Investigator & Raging robots.

Testimonial Laura Cummings Year 4

"Just wanted to say a huge thank-you to the LEGO centre and wonderful staff. We took our year 4's today and they had an amazing, engaging and thoroughly enjoyable learning experience. We will definitely be booking for next year!"
