

## LG G4s 8GB 4G LTE – The Affordable Android Smartphone Packs a 5.2-inch Screen, Octa-core CPU, 8MP Rear and 5MP Front Cameras

Now available unlocked and online

LG G4s is the newly-released mid-range smartphone to company's famous G4 lineup, coming with a large 5.2 inches IPS LCD capacitive touch screen supporting 16M colours, 1920 x 1080p resolution and a 423ppi pixel density. The multitouch display gets secured with Corning Gorilla Glass 3 coating that provides solid protection on the go.

In terms of internal specs, the smartphone comprises of a powerful Octa-core 1.5GHz Qualcomm MSM8939 Snapdragon 615 processor together with a 1.5GB RAM to perform efficiently. It operates Google's Android OS v5.1.1 (Lollipop) and boasts an 8GB internal storage with memory expansion up to 32GB via microSD card slot.

On the back, there's an exciting 8MP autofocus camera with features including LED flash, f/2.4 aperture, Laser autofocus, Manual Mode, face detection and 1080p video recording at 30 frames per second. The 5MP front-facing snapper with Gesture mode makes sure you get amazing selfies and connects you with your loved ones through video calling.

Other prominent features of LG G4s include – Wi-Fi connectivity, Bluetooth v4.1, A-GPS, in-Cell Technology, NFC, USB v2.0 High Speed, 3.5mm stereo headphone jack, Adreno 405 GPU, compass, accelerometer, QuickMemo, proximity and a Li-ion 2300mAh battery.

The LG G4s is now available in stock and can be purchased online from Yatango Shopping with full local warranty and support.
