

# Love racehorses? Now everyone can afford to own a share. Come to Tony Gollan's Brisbane stables on Sunday 26 August to discover a new thoroughbred ownership experience

Costing just \$275, premium racehorse ownership now affordable and easy for every Australian

Sydney, 6 August 2018 - MiRunners, the company making thoroughbred racehorse ownership affordable and easy for everyone, is holding a special event for prospective new owners on Sunday 26 August at Brisbane-based racehorse trainer Tony Gollan's stables.

Tony Gollan will be showing young horse Your Song x Sheeznodoubt to members of the public, who will be able to have their photos taken with the horse, talk to its handlers and Tony Gollan about the young filly's training progress and about the miRunners racehorse ownership experience, and buy a unit in the young racehorse. Almost 2,000 Australians have done so already, including from the Brisbane suburbs of Carina Heights, Stafford, Wavell Heights, Wynnum, Carindale and Sherwood.

MiRunners is a new way to become part of the sport of kings and queens - without having to pay the hundreds of thousands of dollars that have been the traditional asking price to own a racehorse. MiRunners creates 1,000 units in each yearling it buys, and offers these units at 1/1000th of the horse's original purchase price. MiRunners has six horses, with four already sold-out and two with units still available. Units in Tony Gollan's horse cost just \$275 each, plus a monthly fee of \$15 to support the care, management and training of each horse.

It's a premium ownership experience available to everyone, from mothers and fathers to friends and families. All six miRunners horses, which are stabled around Australia, are being trained by some of Australia's best-known trainers, including Gai Waterhouse, Kris Lees, David Hayes, Mick Price and Bjorn Baker, in addition to Tony Gollan.

And miRunners has close connections with the Queensland thoroughbred industry: Your Song x Sheeznodoubt and miRunners' other five yearlings were all bought at the Gold Coast's annual Magic Millions auctions in 2017 and 2018.

MiRunners' open day is at Gollan Stables, Barn 13-16, Racecourse Village, Eagle Farm Racecourse, on Sunday 26 August, from 9am. The day is free. Anyone buying a unit on the day will have their first monthly fee waived. Simply register to attend at [www.eventbrite.com](http://www.eventbrite.com).

For more information on miRunners, and on how to buy a unit in a thoroughbred racehorse, go to <https://mirunners.com>.

Ends.
