

Malolo Island Resort Fijij Wins Best Quality Accommodation Award Once Again

At the Fiji Excellence in Tourism Awards

News Release February 2019: Ahura Resorts is delighted to announce that its Malolo Island Resort was awarded the Best Quality Accommodation 2018 award at the annual ANZ Fiji Tourism Excellence in Tourism Awards on February 16th.

Already multi award-winning and 100% Fijian-owned, Malolo Island Resort is an idyllic Fiji island paradise where guests escape the stress of modern living and relax amongst golden sandy beaches, abundant coral reefs, swaying coconut palms and azure seas. This is the 6th time Malolo has won this prestigious award since 2010.

The Fiji Excellence in Tourism Awards are judged by local and international business and tourism professionals. More than 500 people from the Fiji travel industry, including major hotels, airlines, tour operators and tourism service providers, were present at this year's Awards event.

Ahura Group General Manager Steve Anstey said, "We are once again honoured that Malolo has won this award again. This is a significant continued achievement that demonstrates the consistency, passion and hard work of the whole Malolo team – both on the island and in our mainland and international offices, and who are all dedicated to giving guests an exceptional resort experience.

"Malolo, with its friendly service, quality cuisine and the happiest of kids clubs, is a unique destination, but it's the people at Malolo who truly make the difference. I'd like to thank everyone for helping create a starring product that is adored by so many.

"I'd also like to thank our guests, 25% of whom come back year after year to relax, recharge and experience the magic of Malolo" said Anstey.

Ahura Fijian owner and Managing Director, Tony Whitton, adds: "Receiving this award is especially auspicious as we celebrate our 20th anniversary later this year. We would once again like to thank the Fijian and greater travel and tourism industry, our loyal guests, and our amazing team who continue to work towards creating "magical Malolo memories" to last a lifetime. We are a Fijian family business and through hard work and having a remarkable team we are very happy to see Malolo continue to shine."

Ahura was an ancient god of creations who symbolised life, kindness, equality, care of the environment, charity, loyalty and faithfulness to settlement, tribe and county. The omnipresent sun was an enduring symbol of radiance, purity and life sustenance. Today, Ahura Resorts embodies these same values. As a 100% Fijian-owned company, with over 30 years experience in tourism and hospitality throughout the Pacific, Ahura is dedicated to providing quality holiday and lifestyle experiences while preserving cultural values and the surrounding environment. Ahura is the management company operating one of Fiji's most popular and well-known resorts - Malolo Island Fiji, and the luxury escape for couples which features Fiji's first and only authentic over-water bures - Likuliku Lagoon Resort.
