MIKE TYSON IS IN THE AUSTRALIAN TENNIS OPEN!

Watch out for Mike Tyson when you're watching the tennis on tv over the next 2 weeks. Along with the Rubber Girls and Frances the tiger, the former world champion boxer and Hangover movie star is the latest hero of the Ultra Tune "Unexpected Situations" series of television commercials that have ALL been consistently criticised, attracted controversial attention and have been the most complained about advertisements of 2014, 2015, 2016 and 2017.

Ultra Tune Executive Chairman Sean Buckley stands by the marketing campaign and says " All the ads have been run through (repeatedly) the ABS - the Advertising Standards Bureau and granted prime time viewing spots on free to air television with a PG rating Australia-wide. In excess of 5,000,000 people viewed the last version of "Unexpected Situations" featuring Jean Claude Van Damn across free to air television and online platforms. Of the 5million plus views only 300 complaints were made which is 0.006% of the audience."

Mike Tyson says of his relationship with Ultra Tune and the advert " Sean Buckley is a good friend of mine and a great sponsor and supporter of boxing in Australia. I look forward to doing more work with him. The ad is really all done in fun!"
