

Neat Feat Natural – a natural solution for foot care and pain relief

The latest products in the Neat Feat range, Neat Feat Natural is giving foot care and pain relief a natural make-over, offering peace of mind for people who prefer a natural alternative to pharmaceutical drugs.

When it comes to foot care products, Neat Feat is one of Australasia's most trusted and popular brands. In fact Neat Feat developed the world's first roll-on antiperspirant for feet, much to the relief of many a foot odour sufferer and their loved ones!

With an extensive product range including foot care products to treat athlete's foot, foot pain and foot odour, personal products to treat sweating and sweat rash, orthotics, foot care gels, shoes, and other personal care products, Neat Feat have added a Natural range to their line.

And it is one of their most popular ranges.

"We developed the Natural range out of a growing demand for natural alternatives to pharmaceutical drugs," says Ant Laity, Managing Director of Neat Feat.

"Nature can play a big part in providing simple solutions to common problems and there are very effective remedies to many conditions that do not require pharmaceutical drugs but can be treated via natural alternatives.

"It became evident that was something we needed to provide."

Based on herbal medicine and aromatherapy the Neat Feat Natural range offers peace of mind for customers who are increasingly conscious of choosing natural over traditional products.

Best of all they work, whether it's relieving foot pain from plantar fasciitis, eliminating foot odour or improving skin health, you know with Neat Feat Natural you're getting products that will only help improve your life so you can live with more freedom and confidence, one step at a time.

NEAT FEAT NATURAL – FOOT CARE

NATURAL PAIN RELIEF FOOT CREAM – RRP: \$27.25

For anyone that suffers from foot pain, this is the answer. Neat Feat Natural Pain Relief Foot Cream is TGA approved and provides quick, symptomatic pain relief caused by Plantar Fasciitis (1 in 10 adults suffer from this), Heel Spurs, Bunions, Achilles and Foot Injuries. This wonder cream also provides temporary relief of sprains, strains and bruising. Based on a formula traditionally used in herbal medicine, it contains 8 active natural ingredients that offer foot pain relief. Ingredients: Rosemary Oil, Boswellia Caterri, Amica Montana, Cajeput Oil, Camphor Oil White, Peppermint Oil, Eucalyptus Oil, Clove Bud Oil. MADE IN AUSTRALIA.

NATURAL FOOT, LEG, BODY & HAND MOISTURISER – RRP: \$14.25

Neat Feat Natural Foot, Leg, Body & Hand Moisturiser is a rich, thick water-based moisturiser that is easily applied, and can be used daily after showering, or as required, to help keep your skin in optimum condition. It is especially good for dry skin, and is also excellent for people with thinning skin, as it improves skin thickness on the legs.

Suitable for feet, legs, body and hands it contains Sweet Almond Oil that is not only soothing and nourishing, but is also anti-bacterial which is beneficial for acne-prone and sun damaged skin as well as for fading scars. MADE IN NEW ZEALAND.

NATURAL ANTIFUNGAL FOOT SPRAY – RRP: \$17.80

Based on a formula traditionally used in aromatherapy for the relief of minor infections between the toes, and proven to kill 99.1% of bacteria within 3 days, Neat Feat Natural Antifungal Foot Spray is TGA approved and provides symptomatic relief of Tinea/Athlete's Foot, Nail Fungus and Jock-Itch (it is perfectly safe to apply to that area).

Containing natural active ingredients Melaleuca Oil and Azadirachta Indica Seed Oil fixed, it is a natural solution for keeping your feet healthy and fungal-free. MADE IN AUSTRALIA.

NATURAL SHOE DEODORISER – RRP: \$8.95

Neat Feat Natural Shoe Deodoriser is formulated with specific natural ingredients to help eliminate odour from shoes, sneakers and work boots by fighting and killing the bacteria that cause the odour, not just masking the smell like many other products do. By reducing the bacteria within the shoe, Natural Shoe Deodoriser will prolong the life of your shoes, but leave them fresh.

It can be used on all types of shoes. Simply shake well, spray the inside and the outside of the affected shoes after wear. Place shoes in an area where they will dry out completely. Repeat as often as required.

Contains the natural, odour fighting ingredients: Apple Cider Vinegar, Lavender Oil and Ginger Oil. MADE IN NEW ZEALAND.
