

Network Pacific wins AREAs Game Changer of the Year Award

Network Pacific has been named as the Winner of the 2019 Annual REA (AREA) Excellence Award for Game Changer of the Year.

The award recognises the company's position as a market leader in providing innovative products and services.

According to Stephen Briffa, Managing Director of Network Pacific, "innovation is one of our core values and we are always going above and beyond to meet our client's needs and the challenges of the industry. This is a national award that we are extremely proud to have received".

This is one of the seven industry awards for excellence that the Network Pacific Group of Companies has won in 2019.
