

Real Techniques is thrilled to announce the release of new and unique brush collections to kick off 2019, adding to their hugely popular range of existing makeup brushes, sponges and accessories. Introducing Rebel Edge, Everyday Essentials and Sugar Crush – there’s something to love for everyone! Designed by internationally renowned professional makeup artists and beauty vloggers, Sam and Nic Chapman, the new range features newly designed brush handles and brand new packaging for a more simplistic, cleaner design, without jeopardising quality or performance. Marketing Manager at Chemcorp International, Erica Galea says, “Real Techniques is a global leader in makeup brushes and they just keep on giving! The Rebel Edge Trio really is one of a kind and now one of my personal favourites, so we’re very excited to launch these new products in Australia.” The new additions to the Real Techniques range include: Rebel Edge Trio Set – RRP \$45 With cropped head that puts you in control to define + blend powders your way. Broad brush: broad cut for face, blend powder foundation or bronzer. Fine brush: fine cut for eye, precisely line eyes or sweep on powder shadows. Medium brush: medium cut for cheek, dust on powder highlighter or blush. Everyday Essentials Set – RRP \$69 This set has every look covered from start to finish with best sellers from the Real Techniques base, eyes and finish ranges combined. Ideal for face, cheeks and eyes, the set is designed to cover, colour and blend. 400 Blush: Tapered, soft and fluffy bristles to blend powder blush evenly for a smooth, natural look. Miracle Complexion Sponge: Soft, flexible foam that blends liquid and cream foundation into a luminous, dewy finish. Use dry for full coverage or damp for dewy glow. 300 Deluxe Crease: Short, dense bristles designed to layer and blend cream and powder shadows evenly into eye crease. 402 Setting: Soft and fluffy bristles to lightly dust on highlighting or setting powders precisely for natural looking illumination. 200 Expert Face: Firm bristles designed to buff liquid or cream foundation to a glowing, flawless finish. Sugar Crush Miracle Complexion Sponge – RRP \$18.99 Just like the original, but with extra sparkle! Use damp for a dewy glow or dry for a full coverage with liquid, cream, or powder foundations and bb creams. Available in three colours: Pink, Peach & Berry. The new additions to the Real Techniques range are available now online at www.realtechniques.com.au
