

Finally a fair and easy way to compare and save on Life Insurance, Health Insurance, Home Loans, Solar and more

New Australian Consumer Website to Help You Make Important Choices

Making important life decisions such as purchasing your first home or getting health insurance can be quite unnerving. With the myriad of information available on the internet, it's hard to know where to start.

Fortunately, a new Australian consumer comparison website is now up and running to assist you. "MakesCents.com.au" maintains a comprehensive panel of different brands to help the consumer review his or her options right then and there, online.

Better still, MakesCents is completely independent and not owned by the suppliers it recommends to Aussies.

MakesCents.com.au and the Services They Offer

Makes Cents can help you decide on the following areas:

- Compare Life Insurance

You need to be prepared for life's uncertainties. A life insurance guarantees that your beneficiaries will be compensated if anything happens to you. Makes Cents enables you to compare 14 insurers at the same time through their platform.

They only collaborate with the best and reliable insurance providers. You'll be able to sleep at night knowing you're in good hands.

- Compare Electricity and Gas

Do you feel that you're shelling out too much money on utilities? Are you tired of getting poor customer service? Perhaps it's already time to look for other options.

Gas and electricity suppliers will always want to do business with you, but they don't always offer the best deal. Since Makes Cents is 100% independent, you'll be able to review all deals and make an educated decision.

- Compare the best prices for Solar

Going solar is a great investment for yourself and for the environment. You will be able to save tons of money in the long run, whilst helping the environment heal by reducing your carbon footprint. Makes Cents has partnered with 20+ licensed suppliers to make sure that you get the best set-up that is suitable for your needs.

- Compare the best Home Loans

Are you planning to buy a new home or perhaps refinance your existing loan? Makes Cents will be able to find a great deal for you, depending on the state of your finances for free. You will also be able to know how much you will save if you switch to a new lender.

- Compare the best prices for Health Insurance

Your savings can be depleted immediately if you fail to prepare for health emergencies. With private health insurance, you can seek treatment from a doctor of your choice. You will be assisted in paying the expenses incurred in and out of the hospital as well. With Makes Cents, you can choose an

insurance provider that can cater to your specific needs.
