

New children's film - Dino King: Journey To Fire Mountain

Releasing Thursday, May 9 in Event Cinemas and Village Cinemas nationally

Odin's Eye Entertainment is proud to release a new action-packed family adventure - DINO KING: JOURNEY TO FIRE MOUNTAIN (3D) in Event Cinemas and Village Cinemas around Australia on Thursday, May 9. Combining the realism of Walking With Dinosaurs with the heart of Finding Nemo, this feature film tells the story of Speckles, a ferocious Tarbosaurus and his young son Junior, who are mourning the loss of their family in an epic battle. Together, they roam the lands in search of food, adventure and peace. Under the watchful eye of his Dad, Junior is growing up healthy and strong, but with an overconfidence thanks to his young age. After one such encounter results in Junior being captured, Speckles embarks on an adventure to the ends of earth to find his son. Encountering friend and foe, ally and enemy, Speckles will stop at nothing and will take on all comers to save his boy. (Featuring the voice of David Collins of The Umbilical Brothers as SSAI, who joins Speckles on his quest to rescue Junior). All tickets to see DINO KING: JOURNEY TO FIRE MOUNTAIN are \$12.00.
