

New Kambrook frypan set to sizzle

Kambrook's new frypan is a must-have for every kitchen, from the novice student cook right through to the accomplished home chef.

The highly efficient, square frypan offers excellent versatility allowing for a range of different meals to be achieved. With an 1800 watt die-cast element and an adjustable temperature control with 12 heat settings, the pan is capable of handling everything from pancakes to roasts. The glass lid allows the cook to keep an eye on how the food is progressing and the cool-touch handle incorporates an adjustable steam vent for additional control. The pan's large size and 74mm depth enable generous quantities to be cooked at one time and the non-stick surface ensures fat-free cooking. Easy to clean and also dishwasher safe, the frypan is excellent value at just \$49.95. As part of its rigorous testing procedures, Kambrook's electric frypans have completed more than 600 hours of testing - enough time to cook more than 7000 chicken schnitzels. Kambrook 12" Square Frypan (KEF120) - \$49.95 Enquiries: 1300 139 798 / www.kambrook.com.au Media enquiries: Juliet Fisher or Kristine Snell, Write Away Communication + Events Ph: 02 9978 1400 / Email: juliet@writeaway.com.au; kristine@writeaway.com.au
