

New Oil Free Compressor Hire Fleet At Air Powered Services!

Air Powered Services, specialists in everything compressor air, are pleased to announce their NEW HIRE RANGE of OIL FREE COMPRESSORS.

Whatever the industry & whatever the application, if you need oil free air, Air Powered Services have ONE OF THE LARGEST Hire Fleets of compressors to meet your requirements.

Oil Free compressors are critical for many applications where even the tiniest drop of oil can cause product spoilage or damage production equipment, not to mention the cost of production downtime and product rework.

Not only to Air Powered Services provide an extensive Hire Fleet of compressors, tools, breathing air equipment, etc., but also SELL & SERVICE a large range of the above.

Browse the NEW Air Powered Services website today www.airpoweredservices.com.au or better yet, drop into their brand new 5000 square meter special built premises at 22 Tullamarine Park Road, Tullamarine VIC 3043.

The new facilities are a reflection of the sustained growth of Air Powered Services and will house an ever-growing fleet of hire and sale equipment. The premises also feature a state-of-the-art service area.

Air Powered Services welcome new & old friends to visit the new building at any time.
