

## Nexon Asia Pacific appoints Ryan Walker as General Manager of Business Solutions

SYDNEY, AUSTRALIA – Friday 6th March 2020 – Nexon Asia Pacific (Nexon), announces today the appointment of Ryan Walker as General Manager of Business Solutions. Mr Walker brings over 15 years' experience in business applications and consulting services to Nexon's existing business practice. As a certified and gold Microsoft Partner, Nexon has deep expertise of Microsoft solutions including Microsoft Teams (and Skype for Business), Office 365 and Dynamics 365 amongst many others, and continues to work closely with Microsoft to provide customers with cloud-first solutions.

Nexon's recent acquisition of Remagine Solutions, and appointment of Mr Walker, affirms their commitment to excellence by ensuring its team is certified to the highest levels, its solutions exceed the expectations of their customers and that they deliver leading solutions on the Microsoft Platform.

Nexon is in the midst of organisational growth and is strategically investing in people, platforms and processes to deliver value to Nexon customers. Mr Walker will be a valuable addition to execute Nexon's vision, tasked with leading the Business Solutions team in developing and strengthening their business management and operational solutions that aid business outcomes.

"For now, we are focused on building out value-based offering from Security, Cloud and Managed services to support our customer priorities and deliver solutions that meet business outcomes," said Barry Assaf, Chief Executive Officer at Nexon. Mr Walker is highly accomplished in defining strategic transformation and delivering customer-focused solutions to complex business challenges across businesses.

Mr Assaf says, "Ryan is the right leader to help us evolve our business solutions practice. He understands the unique needs of our customers, has extensive capabilities in solution development, implementation methodologies across key verticals, and demonstrates ambition to grow our offering. We are excited to have him on-board."

Mr Walker officially started his new role as General Manager of Business Solutions on Monday 2 March 2020.

About Nexon Established in 2000, Nexon Asia Pacific (Nexon) is a cloud and managed service provider helping clients run more efficiently, create better user experiences and explore bigger opportunities. We're a trusted technology partner for mid-market businesses, government agencies and not-for-profit organisations throughout Australia and the Asia-Pacific region. Nexon supports businesses on their digital transformation, from network to SIP, to business solutions and everything else in between, allowing clients the ability to work seamless across any cloud, anytime and any device.
