

Nintex Honours Top Customers and Partners with Innovation and Transformation Awards

Annual awards program honours organisations around the globe for their ability to accelerate digital transformation and improve the way people work with automated solutions and business processes

Sydney - 17 June 2020 - Nintex, the global standard for process management and automation, today recognised 12 customer organisations across multiple categories with 2020 Nintex Solution Innovation Awards, announced the 2020 Nintex Champion, and provided three Nintex partner organisations with a 2020 Nintex Partner Award in Business Transformation including Pacific BPA, System RKK, and Synergi. The 2020 Nintex Champion receiving top honours in this year's awards program is Zoom Video Communications, Inc. for the company's ability to rapidly automate its new customer order process during a time so critical to supporting remote workers. Zoom leveraged Nintex Workflow Cloud's easy-to-use and powerful capabilities to streamline and digitise its sales order process. With this Nintex digital solution, Zoom automated 90 per cent of its channel-driven orders, saving 15 man-hours per day and helping Zoom customers more quickly use their enterprise video communications platform.
