

Nornda Automotive sign with Star Business Solutions

Star Business Solutions to supply, implement, train and service Nornda Automotives Greentree Business & Accounting Software requirements

Star Business Solutions (Star) is proud to announce that Nornda Automotive whose Head Office is located in South Australia has engaged Star to provide, implement, train and service all of their Greentree business management & accounting software system requirements.

Nornda Automotive are a leading supplier of Automotive performance products and pistons incorporating the following brands:

ROMAC Performance Products & Rollmaster. Rollmaster and Romac are well established and well respected brands. They produce Timing Chain Sets, Vernier Adjustment Sets, Harmonic Balancers and numerous other performance products which are manufactured to the highest standards using state of the art computer controlled machinery and the best quality materials. JP Performance Products. JP Performance have a large range of steel and cast iron timing and chain gear sets, oil pumps and gear drives for standard replacement and performance applications. JP Pistons. JP Pistons are piston manufacturers for vintage, veteran and classic cars, trucks, motorcycles and industrial engines.

Star Business Solutions is a market leading organisation in business management and accounting software solutions with offices in Melbourne, Sydney, Canberra and Adelaide. Star believes that their business solution software partner, Greentree, is the best locally developed integrated business management & accounting software package in its market with Financials, Distribution, Job Costing, Manufacturing, Supply Chain Management, CRM, HR/Payroll, eCommerce, Report Writer, Workflow and Business Process Management. Star's goal is to provide services and solutions that constitute clear, measurable value which will validate each client's choice to partner with them.

Trish Hall CA Chief Executive Officer Star Business Solutions.
