

Northcote High School Recycles IT Waste

Free drop-off and recycling of e-waste and mobile phones

Northcote High School (Victoria) is 'walking the talk' and doing something practical about reducing the amount of e-waste going to landfill.

The School in partnership with ECOACTIV Product Recovery Programs is offering free drop-off and recycling of unwanted IT equipment for students, teachers, parents and the wider school community including local businesses.

ECOACTIV Product Recovery programs help to ensure that we collect and recycle unwanted IT equipment. This also helps to ensure the safe handling of potentially hazardous substances.
