

Online Designer Wallpaper & Fabrics-Delivering to Remote Australian Areas

FOR IMMEDIATE RELEASE

Fabric Studio is a popular online retail store connecting rural Australian areas to high-quality Designer Wallpaper & Fabrics at affordable prices. Interior designer Alison Burke prides herself on giving her customers expert advice, ideas and support.

Australia – October 10, 2012 – Fabric Studio was founded by interior designer Alison Burke to help internet users find international designer fabrics and wallpapers at reasonable prices. With a wide variety of beautiful styles there are many to choose from on the website <http://www.fabricstudio.com.au/>.

Alison recognises that busy, working people may not have the time to shop in showrooms for these products. People living in remote areas in Australia may not be able to travel to the big cities to view designer wallpapers and upholstery fabric. Therefore, there has been a huge demand for this services, popular remote Australian areas Alison has delivered to includes; Dubbo, Roma, Emerald, Cootamundra, Blackall, Casino, Newdegate, Wagga Wagga, Springwhaw, Premer & Gulnare.

Alison also provides her clients with regular contact including expert advice, ideas and support on which designs suits their needs. So you get a whole interior designer experience!
