

PARADISE RESORT NAMED BEST FAMILY RESORT IN AUSTRALIA

Paradise Resort has once again been recognised for its commitment to providing memorable family experiences taking out 'Best Family Resort in Australia' in the Out and About with Kids Readers' Choice awards.

The annual awards, which have been running for over 7 years, aim to uncover the absolute best family holiday experiences in Australia across several categories including best destination, best resort and best adventure. The award was announced on October 1st in the Spring issue of the Out and About with Kids Magazine and Paradise Resort was up against a number of worthy competitors including SeaWorld Resort and the Surfers Paradise Marriot Resort and Spa. Resort General Manager David Brook is thrilled that the Resort is continuing to provide valuable experiences for families. "Being voted the winner of 'Best Family Resort in Australia' is an extraordinary honour and I am grateful that our guests have voted for us," said Mr Brook. "Winning this award only reaffirms exactly what is at the heart of what we do at Paradise Resort, and that's providing memorable experiences for families." Paradise Resort has its own water park, ice rink, kids club, rock climbing, laser tag and adventure park onsite and Mr Brook believes that these features are what differentiates them from their competitors. "I believe these facilities combined with our dedication to providing great family experiences, is what sets us apart from other holiday resorts," said Mr Brook. "There's a lot to be proud about this year and myself and my team are excited for another busy summer season here at Paradise Resort." Paradise Resort is also nominated for the 'Best Resort' in the Holidays with Kids Reader's Choice Awards, set to be announced October 4th. **More About Paradise Resort Gold Coast** Set on five acres close to beaches and attractions, Paradise Resort is renowned as the number one destination for families travelling to the Gold Coast.
