

# Personal Finance Guide Launching 1 April 2021

Suddenly Responsible Coming Soon

Australia's newest and funniest guide to Personal Finance, launches 1 April, and will be available for purchase from the money-beans website. This is a Dad and daughter team effort, aimed at providing an easy to read but informative guide to personal finance.

Suddenly Responsible is intended for a person just starting out, or someone who, later in life finds themselves suddenly responsible and having to deal with all manner of personal finance issues.

It is light hearted, a short read, but abundant with financial wisdom designed to get the reader rich slowly. Parents are encouraged to buy it for their teens, or even themselves.

For each copy of the book sold via the website, Moneybeans will donate \$1 to the Leukaemia Foundation.
