

Presence of IT Launches Human Capital Management Cloud Oracle Accelerate Solution for Financial and Professional Services Industries

Reduces implementation time for customers

Sydney, 4 Sept, 2014 - Presence of IT (PoIT), a global leader in HR/payroll and workforce management solutions, today announced the launch of its first Oracle Accelerate solution for Oracle Human Capital Management Cloud, developed for midsize companies in the Financial and Professional Services industries.

Presence of IT is an Oracle Accelerate solution provider and a Gold level member in Oracle PartnerNetwork (OPN).

Based on Oracle Human Capital Management (HCM) Cloud, the solution helps to assist reduce the risk, time and cost associated with other solution implementations, while retaining the rich functionality delivered by the Oracle suite of products. Presence of IT's Oracle Accelerate system for Oracle HCM Cloud can provide Financial and Professional Services organisations with access to PoIT's 'Express' Accelerate methodology, based on a proven, agile, iterative approach to implementation, helping customers to maximise the total value for their business.

Duane Thompson, Oracle Managing Partner, Presence of IT said: "Presence of IT's Oracle Accelerate Solution for Oracle HCM Cloud means that we can now deliver faster time to value for our customers, with no upfront hardware costs, whilst retaining all the benefits of a world class application. The combination of industry standard processes, proven Human Capital Management best practice business flows, pre-configured content and our 'Express' Methodology Toolkit allows Presence of IT to reduce the implementation time for our customers."
