

Prowash Australia Pty Ltd chooses Greentree Business Management & Accounting Software

Star Business Solutions to deliver Greentree solution for Prowash.

Star Business Solutions (Star) is proud to announce that Prowash Australia Pty Ltd [Prowash] [<http://www.prowash.com.au>] based in Victoria has purchased the Greentree Business Management & Accounting Software.

Prowash Australia was established in 1996 in Melbourne. Located close to the international airport in Tullamarine, Prowash's advanced warehousing facility enables a superior product and service offering to the car wash industry, Australia wide. As a leading supplier to the growing industry, Prowash have developed a business that specialises in the manufacture of state-of-the-art self serve carwash equipment and vacuums (iWash & iVac) and the supply of related products such as, soaps, vending products and spare parts. Through a network of distributors the iWash and iVac by Prowash and LaserWash Touchfree Automatic (manufactured by PDQ Manufacturing) are represented and installed into new and existing car wash facilities around Australia.

Prowash are Authorised Distributors for:

PDQ Manufacturing Inc. - LaserWash Touchfree Automatic

Blendco - SuperSat Products

CSI (Cleaning Systems, Inc)- Lustra Soap Range for Self Serve & Automatic Carwashes

Since its inception, Prowash has built a reputation for not only providing the best available carwash products and service, but, importantly, at competitive prices too. Although overseas product supply often fluctuates, their policy is to carry a complete line of stock and to reinvest any profits into a further expansion of the range. Prowash clients are rarely, if ever, without the product they need, when they need it.

Prowash Australia is committed to building strong relationships with current clients in the industry, as well as new ones in the future, by always being a willing and reliable source of information, and by delivering everything they say they'll deliver.
