

PwC Australia joins Wolters Kluwer Certified Implementer Programme for CCH Integrator™ transfer pricing solution

Wolters Kluwer Tax & Accounting today announced PwC Australia would be the first of the Big 4 professional services firms to join its Certified Implementer Programme (CIP) for the CCH Integrator™ solution for transfer pricing compliance. PwC Australia's transfer pricing practice will work with its clients to implement CCH Integrator™ to assist them to meet recently updated OECD and ATO tax requirements.

PwC Australia's transfer pricing practice has experienced and dedicated transfer pricing specialists in each of Australia's the major cities. The team works with clients to understand their business and assist them to meet their transfer pricing compliance and reporting obligations. In an increasingly complex and changing environment, technology is now more than ever a key driver of efficiency and accuracy.

As part of the CIP, PwC Australia will have access to regular training, live demonstrations of new features and benefits of CCH Integrator™ ahead of the market and access to support from Wolters Kluwer to support its status as a fully-certified implementer of CCH Integrator™.

"We have a number of clients that have chosen to implement CCH Integrator to help them meet their transfer pricing compliance obligations, particularly in light of the new OECD and ATO requirements. This relationship will enable us to serve our clients as we combine our transfer pricing expertise with an in-depth knowledge of CCH Integrator's transfer pricing modules" said Nick Houseman PwC Australia's Transfer Pricing leader.

Wolters Kluwer's CCH Integrator™ solution is designed to automate tax compliance and reporting locally and globally. CCH Integrator™ represents a strategic approach to information management and reporting, responding swiftly to changing market conditions or regulatory flux. It is used by 15,000+ users across 80+ countries to help streamline and simplify group tax reporting, direct tax, indirect tax, international tax and financial reporting.

"Corporations in Australia are continuously seeking to streamline tax compliance and reporting through technology automation and controls. This lets them free up the capacity of tax and finance professionals to focus on value add activity. PwC Australia will work with its clients to assist them to best realise the benefits of CCH Integrator™ and deliver optimal outcomes over time as the organisation's people, process and technology matures," says Jim Edwards, Director of Corporate Reporting Solutions, Wolters Kluwer.
