

# Rapid Car Removal now aggressively targeting all types, makes and models of cars throughout Melbourne.

Sell your car for upto \$9999 regardless of its condition.

Rapid Car Removal Melbourne : Melbourne's leading car removalists and car wreckers signed up an agreement with Total Cash For Cars Melbourne.

Total Cash For Cars has been in car wrecking business for few years now and had keen interest in buying late model cars having less number of miles on their odometers. On the contrary Rapid Car Removal takes about every type, make and models of cars regardless the condition of the vehicle. Both of them operating in a different business model decided to join hands and share expertise.

Considering the current stale market state and cut throat competition in the market where other car wreckers are using all means possible to grab market share. Rapid car removal and Total Cash For Cars decided to work in a single segment and forward the query of other segment to each one of them.

Rapid Car Removal and Total Cash For Cars Melbourne's core business value are aligned in the same direction that is excellent customer services and standing up to their commitment as narrated by spokesperson of both companies at the agreement signing ceremony here in Melbourne.

Now no matter where you are in Victoria state, you can always reach out to either [rapidcarremoval.com.au](http://rapidcarremoval.com.au) or [totalcashforcars.com.au](http://totalcashforcars.com.au) and get free car removal and instant cash quotes for your cars.
