

Presence of IT Recognized With Prestigious Oracle Excellence Award for Oracle Specialized Partner of the Year – APAC in HCM Cloud Partner of the Year

Sydney, 10 October 2016 – Presence of IT, a global leader in HR, payroll and workforce management solutions, and Cloud Select partner and Gold level member of Oracle PartnerNetwork (OPN), today announced that it has received the 2016 Oracle Excellence Award for Specialized Partner of the Year – APAC in Human Capital Management (HCM) Cloud Partner of the Year. The award recognizes Presence of IT for its commitment to deliver innovative, specialized solutions and services in the cloud based on Oracle Cloud technology, and cloud infrastructure solutions.

The Oracle Excellence Awards for Specialized Partner of the Year encourage innovation by Oracle PartnerNetwork (OPN) members, who use Oracle's products and technology to create value for customers and generate new business potential. The award reflects Presence of IT's success in adopting OPN's Specialized approach which is aimed at enabling partners to establish industry recognition by following a formal process to become Specialized in key Oracle solution areas.

Shane Grobler, Co-CEO, Presence of IT, said: "We are honoured to be recognized as a specialized Oracle Cloud Partner in this region. We've had a strong history of successful Oracle Cloud implementations and this award further strengthens our position as a leader in the Human Capital Management (HCM) market."

Presence of IT received its award during Oracle OpenWorld, held September 18-22 in San Francisco.

About Presence of IT

Presence of IT is a global leader in the world's foremost HR/Payroll and Workforce Management solutions. We provide thought leadership, process improvement, software implementation and support services in human capital management to Australia's largest private and public sector organisations. Our strength is the excellence of our people and our focus is on our clients. This focus has seen us evolve into a global organisation to better support our clients in their respective markets, the world over. More information at: www.presenceofit.com.au.

About Oracle PartnerNetwork

Oracle PartnerNetwork (OPN) is Oracle's partner program that provides partners with a differentiated advantage to develop, sell and implement Oracle solutions. OPN offers resources to train and support specialized knowledge of Oracle's products and solutions and has evolved to recognize Oracle's growing product portfolio, partner base and business opportunity. Key to the latest enhancements to OPN is the ability for partners to be recognized and rewarded for their investment in Oracle Cloud. Partners engaging with Oracle will be able to differentiate their Oracle Cloud expertise and success with customers through the OPN Cloud program – an innovative program that complements existing OPN program levels with tiers of recognition and progressive benefits for partners working with Oracle Cloud.
