

# rhipe awarded at the inaugural Microsoft APAC Partner Awards 2020

APAC's leading distributor of cloud solutions and services, rhipe (ASX: RHP), has been awarded at the inaugural Microsoft APAC Partner Awards 2020. rhipe was announced as the winner of the APAC Services Partner of the Year category.

Celebrating the outstanding achievements of the Microsoft partner community across Asia Pacific, these awards recognise regional partners who have demonstrated leadership and achieved success in delivering exceptional services and solutions built on the Microsoft platform.

Dominic O'Hanlon, CEO of rhipe said, "It's a great honour to receive the APAC Services Partner of the Year Award. We are so proud of our close interdependent working relationship with Microsoft and we will continue to innovate and push the growth boundaries for Microsoft and for our amazing partners. Thank you to all our fantastic staff, partners and incredible colleagues at Microsoft."

The APAC Services Partner of the Year Award was recently introduced alongside two other new categories: the APAC Independent Software Vendor (ISV) Partner of the Year Award, which was won by Adobe Systems, and the APAC Global Systems Integrator (GSI) Partner of the Year Award, with NTT Data announced as the winner.

This accolade complements other recent Microsoft awards that rhipe has won. rhipe was recently announced as the winner of the FY20 CSP Partner of the Year Cambodia, FY20 Microsoft Cloud Distributor of the Year for Indonesia and also the Coopetition Excellence Award at the FY20 Microsoft Philippines Partner Awards.

"This recognition by Microsoft is a testament to the strength of the rhipe and Microsoft partnership and our combined unwavering commitment to delivering the best services and solutions to our customers. Thank you to Microsoft for this amazing recognition and congratulations to all the finalists and winners of these awards," Mr O'Hanlon said.
