

# Ripple Massage and Day Spa Launches the Ultimate Christmas Present

Mobile massage company aims for the Christmas Market

Ripple Massage and Day Spa has just launched the Ultimate Christmas Present. Partnering with Witches Falls Cottages and Hot Air Balloon, Ripple is celebrating the Christmas season by giving away an accommodation/massage and hot air ballooning prize. "The concept came one late afternoon after a couple of glasses of wine," said Ali Shaw, owner of Ripple Massage. "We were trying to think up the most luscious of Christmas presents, and thought the perfect trilogy of massage, Tamborine Mountain accommodation and hot air ballooning was the way to go." "To enter is very easy, just book or purchase a give certificate from any of the contributing companies, and you will go into the draw." "The winner will be drawn on Christmas Eve, such a great prize I wish I could enter," she concluded. Ripple Massage and Beauty is a mobile service that comes to you across Australia. Christmas gift vouchers are available online or by calling Ripple on 0438 567 906. More details of the competition are available at Christmas present
