Ripple Goes Pink

Today, more and more people are taking better care of their own health to live a long and fulfilling life, often through the introduction of massage and pampering as part of their weekly routine.

Now there is even more reason to escape the daily routine to support a great cause by enjoying a Ripple Massage during the month of October. More details at <http://www.ripplemassage.com.au/breast-cancer-research-fund-raiser-massage.html>

"Many of us have a friend, family member, co worker or acquaintance who has been affected by breast cancer," said Managing Director Alison Shaw. "At Ripple we are committed to raising awareness and supporting the National Breast Cancer Foundation in finding a cure."

During the months of October, Ripple Massage will donate \$10 from every 2, 3 or 4 hour massage or beauty package. The donation also extends to gift certificates for the spa packages right up until Christmas.

Guests can choose from a wide range of packages, designed to indulge both women and men. These include the Frangipani, Hot Stone, Pregnancy and Russian massage packages, and there is even a "Blokes Massage Package". Full details are at www.ripplemassage.com.au

"Taking time out for a massage can make such a difference – it can really revive your spirits," said Alison Shaw.

"Often we are not really good at paying attention to ourselves or our own individual needs, so by booking a Ripple Massage that comes directly to you and nurtures your body in the comfort and convenience of your own home or holiday accommodation can be a god-send – especially if you don't have to worry about baby-sitters or transport," Shaw continued.

The two hour massage package, at only \$195 includes:

A full body aromatherapy massage in the style of your choice

A reflexology or foot massage

Aromatherapy foot bath and foot polish

Organic green clay and cucumber face mask, hot steamed towels,

Head and face massage

Full body lime and tangerine exfoliation

Indian Head Massage

Gift of hand made Ripple lotion
