

RSM Bird Cameron voted top choice in three categories at Client Choice Awards

February 20, 2014 – RSM Bird Cameron has once again been recognised for its commitment to clients, winning the BRW Client Choice Awards for “Best Tax Provider”, “Best Western Australian firm” and “Most cost-conscious firm” at an awards ceremony in Sydney last night.

Kim Hutchinson, National Chairman of RSM Bird Cameron, said, “RSM Bird Cameron is delighted to be recognised in the BRW Client Choice awards again this year. These awards reflect the firm’s national commitment to excellence in client service and the staff’s dedication to providing this service.”

Commenting on winning the “Best Tax Provider” award, Con Paoliello, National Head of Tax at RSM Bird Cameron said, “The national tax team is thrilled to be recognised by clients in this category. This is a highly competitive market and it is too often presumed that tax services can only be provided by the large legal and accounting firms.”

RSM also took out the award for “Best Western Australian Firm”.

James Komninos, Managing Partner – Perth, RSM Bird Cameron, said, “What sets RSM Bird Cameron apart is a demonstrable commitment to client service delivered through the firm’s 18 offices across Western Australia.

“RSM Bird Cameron has built a very strong practice in the state based on more than 90 years of excellent service to clients, ranging from family-owned entities to large listed companies. Some of the firm’s clients have been with RSM Bird Cameron for three generations.”

Mr Hutchinson believes that the awards are a tribute to the firm’s policies of recruiting great people, training them well and creating a cohesive work environment that lets it deliver outstanding client service.

“Being transparent and communicating with clients about the return on investment and value they are getting while delivering exceptional service creates a relationship built on confidence and trust.

“RSM Bird Cameron’s commitment to delivering the highest standard of service will remain a cornerstone of the firm’s culture as it continues its national growth.”

The BRW Client Choice Awards are awarded based on a survey of more than 41,000 respondents rating over 120 professional services firms. The survey is conducted by Beaton Consulting and respondents are typically CEO’s, CFO’s and in house lawyers.
