

Samsung Galaxy J7 Duos 16GB 4G LTE – The Budget Android Smartphone Comes with 5.5-inch Screen, Octa-core CPU, 13MP Rear and 5MP Front Cameras

Now available unlocked and online

Samsung Galaxy J7 is the latest addition to company's budget-friendly Galaxy J series, introducing cutting-edge features with an elegant bar-form design. It combines a large 5.5-inch Super AMOLED capacitive touchscreen supporting 720 x 1280 pixels resolution, 16M colours and a 267ppi pixel density.

In terms of internal specs, the phablet is backed by a powerful Octa-core 1.5GHz Snapdragon 615 Exynos 7580 processor together with 1.5GB RAM that enables smooth and fast multitasking. It runs Google's Android OS v5.1 (Lollipop) and packs a 16GB internal ROM with memory expansion up to a whopping 128GB via microSD card slot.

The handset comes equipped with an impressive 13MP rear image sensor with features including LED flash, autofocus, f/1.9 aperture, touch focus, panorama, face detection and 1080p video recording at 30 frames per second. The 5MP front-facing cam with LED flash allows you to take stunning selfies and make video calls with your friends.

Other important features to note are – 4G LTE network support, Wi-Fi connectivity, Bluetooth v4.1, Adreno 306 GPU, USB v2.0, Beidou, GLONASS, GPS, ANT+, 3.5mm stereo, Hall Sensor, accelerometer, Proximity Sensor and a 3000mAh battery.

The Samsung Galaxy J7 Duos is now available in stock and can be purchased online from Yatango Shopping with full local warranty and support.
