

Samsung Galaxy Note 5 32GB 4G LTE – The Next-generation Galaxy Note now with 5.7-inch Screen, Octa-core Processor, 13MP Rear and 5MP Front Cameras!

Now available for pre-order

Samsung Galaxy Note 5 is the latest addition to company's famous Galaxy Note series, designed to provide high-end performance on the go. Coming with a full metal-and-glass design, it combines a large 5.7-inch Super AMOLED capacitive touch display supporting 16M colours, 2560 x 1440p resolution and a massive 518ppi pixel density, with Corning's latest Gorilla Glass 4 protection that helps keep the phone free from scratches, bumps and other damages during regular use.

When it comes to processing power, the newbie is backed by a powerful Exynos 7420 Octa-core processor in conjunction with a mammoth 4GB RAM to let heavy programs run smoothly and speedily. It packs a 32GB internal ROM and operates Android OS v5.1.1 (Lollipop) with complete access to the Google Play Store.

In terms of photography options, the handset comprises of an exciting 16MP rear image sensor with amazing features including optical image stabilization, LED flash, autofocus, face/smile detection, Dual Shot, simultaneous HD video and image recording, touch focus, geo-tagging, panorama and HDR. The 5MP front-facing cam is also there for taking great selfies and doing video chats with your friends.

Other important specs to note are – 4G LTE network support, Wi-Fi connectivity, Bluetooth v4.2, USB v2.0, Gyro/Geomagnetic/Light/Hall/HR/Proximity sensors, ANT+, GPS, GLONASS, Barometer, Accelerometer, Noise Cancellation, HTML5 browser, Mali-T760MP8 GPU and a 3000mAh Li-ion battery.

The Samsung Galaxy Note 5 is now available for pre-order at Yatango Shopping with full local warranty and support.
